To whom it may concern:

Please allow this message to serve as the response to the RFAI dated 9/27/2022 regarding a decrease of \$25,200.00 in the total disbursement amount reflected in the amended report from the amount reflected in the original report.

In the process of amending the original report to correct the names of the candidates whop received contributions from our PAC committee, I noticed a typographical error in the amount of the contribution to one of the candidates.

The maximum allowable contribution under West Virginia State law is \$2800.00 per candidate per election. The candidate in question actually received a contribution in the amount of \$2800.00 but their was an extra "0" entered in the original report erroneously suggesting the contribution was \$28,000.00. Therefore, I removed the extra "0" in the amended report which also amended the total contribution amount down by \$25,200.00.
