

A request for more information was sent regarding the 30 Day post General Report(10/16/08-11/24/08). I would like to clarify the following questions. Question 1 is regarding "Knit & Sew which you state may be a corporation. I spoke with owner Tammy Noble who stated that her business is a sole proprietorship, not a corporation. Question 2 states that a contribution exceeds limits allowed, this contribution was wrongly disclosed. the contribution was reattributed to the donor's spouse and a letter was sent for consent. Question 3 & 4 were due to the July quarterly filing. I spoke with Christopher Morse and he said that after refiling the July Quarterly it should take care of these issues. Please let me know if you have any other questions. Thank you for your time in this matter.
