After consultation with the Reports Analysis division of the FEC, the Gloria Bromell Tinubu for Congress committee has filed the pre-Runoff report and the 48 hour notice for the Runoff primary that will be held on 6/26/2012.

The reason for the filings was due to the 6/22/2012 court decision of South Carolina District Court Judge Larry B. Hyman Jr. who declared that the State Board of Elections certified results had been improperly counted and that a runoff election was to be held on 6/26/2012.

Prior to the court decision, the Tinubu committee was correctly operating as the Democratic Party nominee for the 2012 general election and thus no runoff reporting was required.

Please contact the committee, if further information is needed regarding this matter.
