Attention: Mr. Christopher Morse

Committee ID: C00365502

Reference: Letter dated June 10, 2014

Dear Mr. Morse:

This letter is in response to your letter dated June 10, 2014 which had three findings related to our May Monthly Report (for April activity).

There were excessive contributions listed for Chuck Fleischmann for Congress and Dan Coats for Indiana. Please see attached e-mails supporting the re-designation of these contributions. The re-designation for these items was reported on our June Monthly Report which was filed on June 17, 2014.

Our contribution to Hall for Congress Committee for the 2014 Primary was made after the Primary Election. We have attached the supporting documentation for re-designating this contribution to the 2014 Runoff Election. This re-designation was made on our June Monthly Report in addition to the two items discussed above.

We make a conscientious effort to review for the types of items above and are taking additional steps to try to avoid having any additional findings of this nature.

We believe we have addressed each issue listed above. If you have any questions or concerns, please feel free to contact me at (434) 522-6523 or via e-mail at mswade@babcock.com.

Sincerely,

Martha Steely Wade

For Chuck Fleischmann – the campaign treasurer is allocating the \$1,000 dated 4/1/2014 as reported on the 2014 May monthly toward the general election. This re-allocation will correct the over-contribution to his 2014 primary race. The second check Bryan is referencing was correctly allocated and reported toward his 2014 general election, which does not need to be corrected. Fleischmann's campaign files quarterly, so once we make the correction our records will match theirs.

Kelly - On May 30, we received the following checks from you. 002405 and 002406. Each check was for \$1,000. As you have given the maximum to the 2014 primary, we are allocated both contributions to the general election. Please let me know if you have any questions.

Kelly,

My apologies for the delay, just double checking the records. I am confirming Babcock's most recent contribution received by Dan Coats for Indiana on May 27, 2014 will be designated as for the 2016 General Election per your instructions.

Please let me know if you have any further questions, and thank you for the support of Senator Coats!

Best,

Paul Peaper

Paul,

Thank you for taking my call yesterday. As we discussed, B&W PAC inadvertently designated and reported a \$1,000 contribution made on 4/28/2014 toward Senator Coat's primary election. This contribution surpasses the \$5,000 threshold allowed for his primary election. In order to correct this, we would like you to apply the \$1,000 toward the Senator's general election.

Will you please send me a clean email confirming that you plan to apply the contribution to the general election? Please call me if you have any questions.

Thank you,

Kelly

Hi Wade,

14031250034

Hope you are doing well! I wanted to follow up on the check we received for Ralph Hall. It was designated to 2014 General-would we be able to reallocate to 2014 Runoff? All we would need is an email or letter from your PAC person stating we can reallocate to Runoff 2014.

Let me know-thanks so much!!
