Dear Ms. Sugarman,

The contribution received by Donovan for Congress from Carpenters Legislative Improvement Committee United Brotherhood of Carpenters and Joiners PAC on 10/2/15 was designated by the contributing PAC to the Primary, because they believed an earlier contribution had gone to a different election. Upon report review for the Year End report, Donovan for Congress realized that the contribution was excessively designated to the Primary, and immediately refunded since the 60 day redesignation window had passed. While it was past 60 days, it was refunded on 1/27, as noted on the Year End report, which the same day that it was determined that the designation was excessive and could not be redesignated. This refund will be disclosed on the upcoming April quarterly report.

Please let us know if you have any questions.

Sincerely,  
William DeLuccio  
Treasurer  
Donovan for Congress
