Form/Schedule: F3XA

As a result of the GOP nomination being secured earlier than expected, the Committee renegotiated its contract with a vendor, and certain independent expenditures originally intended to be targeted at the primary election are now being targeted at the general election, with later obligation dates. This report is amended to remove the independent expenditures no longer contractually obligated in March, and to include an outstanding loan on schedule C. Report also now includes end of period check inadvertently excluded by processing error and recalculation of payment processing fees.
