

On March 31, 2006 this PAC made a contribution of \$20,000.00 to the Mississippi Republican Party. \$10,000 of this amount was designed to the State (non-Federal) account and \$10,000 was designated to the Federal Account. Since the \$10,000 designated to the Federal Account exceeded the allowable amount from a multi-candidate PAC, we requested and received a refund for \$5,000 from the Federal account. We will report the \$5,000 refund on the June report.

We are also redesignating a \$5,000 contribution to Kean For Senate from General to Primary.

We will be filing an amended report to reflect these changes.
