Dear Mr. Santora:

This letter is to inform you that as of October 11, 2000, the Commission has not received your response to our requests for additional information dated September 20, 2000. These notices request information essential to full public disclosure of your federal election campaign finances. To ensure compliance with the provisions of the Federal Election Campaign Act (the Act), please respond to these requests (copies enclosed).

An adequate response must be received at the Commission by November 1, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Dear Mr. Santora:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report contains information disclosed on Schedule H4. These schedules are used by committees which have separate federal and non-federal accounts to disclose the allocation of funds for expenditures between the two types of accounts. Your reports do not show payments from a non-federal account on a Schedule H3, as would be customary for committees who allocate between accounts. If your committee does not maintain a non-federal account, all disbursements should be disclosed on a Schedule B and no allocation schedules filed. Please clarify the procedures you are currently using to allocate shared expenses if any, and report future disbursements appropriately.

-Your report includes computer produced formats of the Schedule A. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used. 11 CFR §104.2(d)

If the software your committee is using to produce the Schedules of the FEC FORM 3X does not allow you to electronically file your report, you may want to call the vendor who produced your software to inquire about the availability of a software upgrade that includes electronic filing. A

number of commercial software companies have added electronic filing capability to their products. A list of these companies is available on the FEC web site, <http://www.fec.gov>.

Alternatively, freeware (FECfile) available from the FEC, can help you complete and file your reports electronically. It installs easily, computerizes every schedule in the FEC FORM 3X, contains features to help you avoid common errors, allows you to file electronically, and has free technical support for your questions. You may obtain your free copy by downloading FECfile from our web site, <http://www.fec.gov>, or by calling the Electronic Filing Office at (202) 694-1307.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
