Dear Mr. Thurmaier:

On August 3, 1994 and August 24, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 17, 1994 and September 7, 1994 responses are incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-Your calculations for Administrative/Voter Drive EVENT YEAR-TO-DATE totals are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year within the category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct Administrative/Voter Drive EVENT YEAR-TO-DATE totals.

We apologize for the delay in responding to your amendments. If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
