Response Due Date:

Identification Number: C00193433

Reference: September Monthly Report (8/1/08-8/31/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Schedule A supporting Line 15 of the Detailed Summary Page discloses a refund(s) or rebate(s) of what appears to be a previously disclosed allocable expense(s) from "Grassroots Solutions (Orig Vendor: Ikon Office Solutions)". Please be advised that when a committee receives a refund or rebate of an allocable expense, it must be allocated between the federal and non-federal accounts according to the same allocation ratio used to allocate the original disbursement. Furthermore, the federal account must transfer the non-federal portion to the non-federal account and disclose this transfer-out on Schedule H4. Your report does not appear to disclose a transfer-out of the non-federal portion of this refund(s) or rebate(s). Please provide clarification regarding this apparent omission.
2. Schedule B supporting Line 29 discloses a \$5,897.58 transfer to what appears to be a non-federal account of your committee. Please provide further clarification regarding this transfer(s) to your non-federal account.

You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. If any of these disbursements were made to influence the election or defeat of specific federal candidates, the disbursements should be allocated accordingly and disclosed as either in-kind contributions on Schedule B supporting Line 23,

20081017 10:00 AM

independent expenditures on Schedule E supporting Line 24, or as coordinated expenditures on Schedule F supporting Line 25. 11 CFR §§104.3(b)(3) and 106.1 In addition, if your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

3. Schedule E discloses independent expenditures on behalf of federal candidates. Schedule B of this report disclosed in-kind contributions on behalf of some of these same candidates. Under 2 U.S.C. §431(17), an "independent expenditure" is defined as:

... an expenditure by a person expressly advocating the election or defeat of a clearly identified candidate; and that is not made in concert or cooperation with or at the request or suggestion of such candidate, the candidate's authorized committee, or their agents, or a political party committee or its agents.

Further, 11 CFR §109.21 outlines the factors which define a coordinated communication. Please verify that the independent expenditures made by your Committee in support of "Joan Fitz-Gerald" meet the definition of and were properly categorized as independent expenditures. If necessary, amend your reports to disclose the aforementioned transactions as in-kind contributions (Schedule B supporting Line 23 of the Detailed Summary Page).

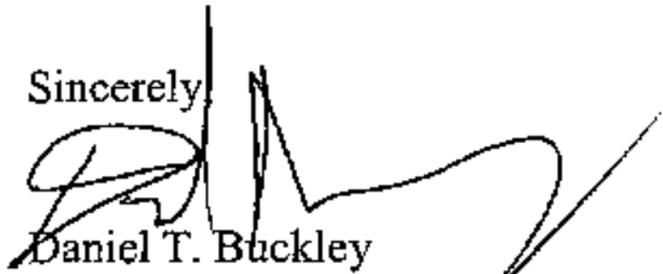

If the reclassification of these expenditures as in-kind contributions results in excessive contributions, the Commission recommends that you notify the candidate(s) and request a refund of the amount in excess of \$5,000.00 per election. Please inform the Commission immediately of any corrective action in writing and provide a photocopy of your refund request(s) sent to the candidate(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
