This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report disclosed the disbursement of apparent earmarked contributions on Schedule B, but does not include any corresponding itemized receipts on Schedule A. Furthermore, your report disclosed the receipt of apparent earmarked contributions on Schedule A, but does not include any corresponding itemized disbursements on Schedule B. Please be advised that for each earmarked contribution forwarded in the form of the contributor's check, the information required by 11 CFR §110.6(s)(1)(iv)(A) through (C) should be disclosed as a memo entry and must be itemized on the appropriate receipt and disbursement schedules. Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
