

In response to a letter indicating that contributions made by the FMC Technologies Employee PAC in 2002 and 2004 had been misdesignated for Bill Nelson for US Senate, it appears that we simply designated wrong on the reports. Updated and corrected reports have been filed for Aug 20 2002, Oct 20 2004, April 20 2005, and April 20 2006. In addition, we have requested a refund from the campaign committee for Senator Nelson in the amount of \$1000. If you have further questions or need more information, please contact Jill Mitchell at 281 591 4166. Regards.
