**REFERENCE:** JULY QUARTERLY REPORT (05/15/2014—06/30/2014)

Dear Ms. Sugarman,

This statement responds to the Commission's letter dated October 1, 2014, requesting additional information about debts disclosed on the Committee's Amended July Quarterly Report. Based on discussions with a RAD supervisor, the Committee amended its July Quarterly to show estimated debts outstanding. At the time the original report was prepared, it was impossible to provide an accurate estimate of these debts, given the short amount of time between the primary and the close-of-books for the report. When an amended report was necessary to address some other minor reporting issues, and to be abundantly transparent, the Committee included a Schedule D showing estimated debts to vendors on its amended report, once it was in a position to estimate such debts based on the receipt of invoices. All actual expenses will be properly disclosed on the upcoming October Quarterly report. Again, the amended report was done at the suggestion of the FEC.

This should answer the Commission's inquiry. Please feel free to contact us if you have any further questions.

Sincerely,  
Bradley T. Crate  
Treasurer
