The Century Aluminum Company PAC has requested a refund in the amount of \$2400 from the Whitfield for Congress Campaign

Committee. A contribution of \$5,000, check number 1028, reported in the October Quarterly filing, was intended to be allocated between the Primary and General elections, but due to a miscommunication, it was not sent until after the passage of the Primary election. Moreover, the Century Aluminum Company PAC is not yet qualified as a "multi-candidate" PAC and therefore allocating the entire \$5,000 contribution to the General election would be inappropriate. The refund will be reflected in the next report filing.
