Dear Mr. Miller:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The independent expenditure schedule (Schedule E) should disclose the following information: the name and mailing address of the payee, the purpose of the expenditure, the date of payment, the amount of payment, the name and office sought, state and district (if applicable) of the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer. Please amend Schedule E by providing the purpose of the expenditure, the name and office sought, state and district (if applicable) of the federal candidate, and the election designation. 11 CFR §104.3(b)(3)(vii)

-2 U.S.C. §434(b)(6)(B)(iii) requires that the supporting schedule for disclosing independent expenditures be signed by the treasurer. This is to attest to the fact that the expenditures were not made in cooperation, consultation, or concert, with, or at the request or suggestion of, any candidate or any authorized committee or agent of such committee. Please amend your Schedule E accordingly.

-Schedule B supporting Line 23 of your report discloses a contribution to "Terry Duckworth for Congress". However, based on the name and

address disclosed for this committee, it does not appear to be registered with the Commission. Please provide further clarification regarding this contribution so that it can be properly attributed.

-Schedule B supporting Line 23 of your report discloses a contribution to "Progressive Choice PAC" and "Progressive Political PAC". However, based on the name and address disclosed for these committees, it appears that they are the same committee, registered with the Commission as "Progressive Choices PAC". Please provide further clarification regarding these contributions so that they can be properly attributed.

-For future reporting, please be advised that only contributions to federal candidates and political committees should be itemized on a separate Schedule B supporting Line 23 of the Detailed Summary Page. Contributions to non-federal candidates and committees should be itemized on Schedule B supporting Line 29.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
