Form/Schedule: **F3XA**

Transaction ID: **C00143743**

Upon further review of the data previously reported and as a result of the changes to the April, May, June, July and August Reports amended on March 26, 2007 we identified a decrease in contributions in the amount of \$20. We reviewed and reclassified \$2,143.35 as allocated expenditures. With the year to date changes reported on these amended reports, the net change in cash available is a decrease of \$1,384. Allocated activity reported on H4 year to date totals are correct on lines 21ai and 21aii. As a result of software upgrade on March 5, 2007, we are no longer able to sort our data based on date of expenditure. The software program however, reflects a date total on each record. Consequently, each record shows a year to date total for the type of activity based on date, but the random reporting by name of the expenditures, makes the year to date totals appear incorrect. After careful reconciliation of each activity, the totals reflected on lines 21ai and 21aii are correct for the allocated expenditures. All transfers which were not made within the 70 day time period have been returned to the non-federal account as previously reported. Respectfully submitted, Wayne Tucker, Treasurer
