Dear Mr. Averell:

I am writing this letter in response to the Federal Election Commission's inquiry in regards to our mid-year report 1/1/95 - 6/30/95. As per my conversation with you, I will respond to each of the five paragraphs individually.

In regard to paragraph one, the following description is CityPAC's method of obtaining employment information as well as current addresses. At the time CityPAC receives contributions we always ask for the contributor to provide all information necessary for the FEC reports. When this information is not provided, we have a two-step process to obtain this information. First, we send a letter if we have the contributor's address. We then follow this up with a phone call requesting the information. If we do not receive a response, we fill out the report with DID NOT RESPOND TO INQUIRY.

Concerning paragraph two, I was able to discover three errors on the report pertaining to date of receipt of money and aggregate year to date totals. The first error is on page 10 of 16, line A. The date of the check should be 4/10/95. The second error is found on page 16 of 16, line D. The aggregate total should read \$250.00. The third error is on page 16 of 16, line E. The aggregate total should read \$250.00.

We were unable to distinguish the partnership percentage breakdown of page 16 of 16, line E as of the date of this letter. We are currently seeking this information.

In regard to paragraph four, no moneys received by CityPAC were from federally registered political action committees.

As for the last paragraph of your letter, line 23 of the detailed summary page reflects our contributions to candidates. We properly reported these items on a separate Schedule B form.

Sincerely,

Daniel W. Gould  
Treasurer
