Dear Ms. Sinram:

Our response to the two Requests for Additional Information follows.  
Thank you so much for your help with this.

RE: Request for Additional Information July Quarterly Report

Where Schedule A reports a "Lump Sum Unitemized," at the time it was filed it was believed that there was only one donation that met the over \$200 standard.

After further review and additional donations received after this period, I determined that an amended report needed to be filed in order to list all donors who would eventually aggregate to over \$200 by the end of the year.

This amended report was filed today, March 4, 2013, with the help of Eliza Green from the Electronic Filing Office.

RE: Request for Additional Information October Quarterly Report

Where the totals listed on Lines 11(a)(i) and 11(a)(ii) were incorrect, that was due to changes made on the April report which carried over to the July report and which I didn't realized I needed to adjust.

Now that the July 15 Quarterly Amended Report has been filed (today, March 4, 2013), these totals are now correct.

Where Schedule A reports a "Lump Sum Unitemized," at the time it was filed, only those donors itemized who exceeded the over \$200 standard were listed.

After receiving additional donations after this period, I determined that an amended report needed to be filed in order to list all donors who would eventually aggregate to over \$200 by the end of the year.

This amended report was filed January 31, 2013.

Thank you again for your help!

Please let me know if you need any further information.

Sincerely,
