

Please note in regards to Notice Date 2/23/11 for Amended Sept Monthly issue #2 (Stiker Donation):

You have received an amended August monthly report which shows that the original contribution received on 7/14/10 was actually from Stephanie Stiker for \$5000. This was misreported on the August monthly to show it came from Edward Stiker. Mr. Stiker actually donated \$5000 to us 8/30/10. If you need further documentation on this, please don't hesitate to contact us.
