Reference: October Quarterly Report (7/1/08-9/30/08)

Dear Mr. Bennett:

This letter is in response to your request for additional information, dated November 5, 2008.

1. The Committee was unable to obtain the appropriate reattribution documentation for Jennifer Fournier. She has been issued a refund in the amount of \$32,700. This will be disclosed on the Committee's Year End Report.
2. All payments to other political committees for goods and services were made at the usual and normal charge and at fair market value. The political committees assessed these charges based on estimates received from at least two outside vendors. No in-kind contribution has occurred.
3. The Committee is in the process of verifying all ultimate vendor detail for the disbursements to credit card companies. The Committee will amend the October Quarterly as soon as possible.
4. Your letter indicates that the above referenced report shows limited administrative activity. All expenses are accurately and fully disclosed. All in-kind contributions made to the committee by any person or entity have been fully disclosed. No administrative expenses beyond those reported have been incurred. All future reports will continue to fully disclose all expenditures accurately.
5. The Committee will amend the October Quarterly Report as soon as it has received the necessary partnership and sole proprietorship donor detail.

Sincerely,

Lisa Lisker  
Treasurer
