Attn: Robin Oxford Little

Dear Ms. Oxford Little ,  
Per direction received from Mr. Rich Wood, chairperson of Wawa Inc., Political Action Committee (Wawas PAC), we have amended the PACs July Quarterly Report to the FEC to reflect the redesignation of Wawas PACs contribution to the National Association of Convenience Stores Political Action Committee as a Federal contribution, moving the disclosure of this disbursement from line 29 (other disbursements) of the FEC report to line 23 (Contributions to Federal Candidates/Committees and Other Political Committees) and describing it as a Federal Contribution in Schedule B Itemized Disbursements of the FEC report. I believe this should resolve item 3 from the notice you received from the FEC (copy attached). The amendment was filed and accepted by the FEC today, January 30, 2013 at 10:17 AM. I am including the electronic filing results as well as a copy of our amended report for your convenience in dealing with the FEC.

Sincerely,

John Nihill, CPA
