Reference: Year End Report (7/1/95-12/31/95)

Dear Neil:

Again we have a problem that needs your assistance. As we have discussed previously, the prior PAK PAC treasurer suffered a heart attack in September /October, 1995. The records were all shipped to Dr. Ikram Khan as President of PAK PAC, as you know. As his surgical practice secretary, I then disbursed expenses from the account and, after Dr. Arif Toor was elected treasurer I notified you of the change, however, the change didn't occur until the end of January, although it was made effective January 1, 1996. Dr. Toor did not receive the records until last week. Obviously, when I had these records all I did was write checks and keep receipts. Dr. Toor will need time to sort out these records and fill out whatever paperwork you require. Would it be possible for you to "walk him through" this year end report as notification did not even go to him, it came under his name but to our address here in Las Vegas. I really want to stress that Dr. Toor did not receive any previous notification.

We deeply appreciate any assistance you may render, thank you Neil.

Sincerely,

Betty M. Goode
