REFERENCE: AMENDED APRIL QUARTERLY REPORT (01/01/2019 - 03/31/2019)

Dear Mr. Dobi:

This statement is in response to the Commission's letter dated June 23, 2019 regarding two items.

First, out of the twenty-seven (27) contributors that appear to exceed federal limits, seventeen (17) of the contributors had their excessive contributions returned to the joint fundraising committee (Perdue Victory, Inc.- C00571620 or Team Perdue- C00578542) from which they came, to be reallocated to other JFC participants. (See the Amended July Quarterly Report filed with this response). Two (2) contributors' contributions will be reallocated in the relevant JFC's next distribution. Two (2) contributors' contributions were redesignated to another election. (See Amended April Quarterly Report) Three (3) contributors' contributions were reported with incorrect election designations due to a clerical error. The election designations will be corrected in the appropriate Amended reports. (Amended 2018 Year End, Amended 2019 April Quarterly, or Amended 2019 July Quarterly). One (1) contributor's contribution was refunded. The refund will appear on the Committee's October Quarterly Report.

The remaining two (2) contributors' contributions were within federal limits. These two committees do not appear to be affiliated committees based on their respective Statements of Organization filed with the Federal Election Commission. The Committee has reached out to both committees to confirm but has yet to hear back. In the event that it is found the committees are affiliated, we will immediately make the appropriate contribution refunds.

Second, the Committee has confirmed that the two contributions from the unregistered committees were made with federally permissible funds.

Please feel free to contact us if you have any further questions.

Sincerely,
Bradley T. Crate
Treasurer
