**Response Due Date:
April 30, 2007**

Identification Number: C00053553

Reference: Amended 30 Day Post-General Report (10/19/06-11/27/06), received
02/20/07

Dear Ms. Adkins:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule E of your report indicates that your committee may have failed to file one or more of the required 24 hour notices regarding "last minute" independent expenditures (see attached). A political committee must file a 24 hour report with the Federal Election Commission as specified in 11 CFR §104.4(c), within 24 hours of any independent expenditures of \$1,000 or more with respect to a given election, made between two and twenty days before an election. The notice must be received by the Commission by 11:59 p.m. on the day following the date on which independent expenditures that aggregate \$1,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR §104.3(b)

-Your committee has filed 24 hour notices for independent expenditures (see attached) which have not been itemized on Schedule E supporting Line 24 of the Detailed Summary Page. Please be advised that independent

27039412048

expenditures disclosed on 24 hour notices must also be itemized on a corresponding Schedule E or MEMO Schedule E and Schedule D (if applicable), in the appropriate reporting period. Further, if the actual payment(s) for the independent expenditure(s) occurs after the date of dissemination, the appropriate report(s) should continue to show payment on Schedule E and Schedule D, until the debt is fully extinguished. Please amend your report and any subsequent reports that may be affected by this correction.

-Please clarify the disbursement(s) made for "Member Mailing-Postage" and "Member Mailing-Print & Mail" on Schedule B supporting Line 29. If this disbursement(s) constitutes a communication to your restricted class which is exempt from the definition of contribution and expenditure under 11 CFR §114.3, it should be disclosed on Line 29 of the Detailed Summary Page. Furthermore, the purpose of each disbursement should include the type of expense, the name, office sought, state, and district, if applicable; of each federal candidate identified in the communication, and a statement that the expense is for an internal communication to the restricted class (see Advisory Opinion 2000-3). Please amend your report to properly disclose this activity or provide clarifying information.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694- 1139.

Sincerely,

Karen E. Trainer
