Reference: Request for Additional Information issued 5/24/2022

Dear Jamie,

Please note: due to a FEC File Software limitation, a voided entry did not pull to the body of the report, but did calculate in the summary numbers. The committee issued a payment on 2/23/2022 to District City Consulting, which was lost in the mail. The check was later voided and reissued on 3/8/2022. The FEC File program did not pull the void to the report, but did calculate it in the numbers. Thus the report itself is correct.

Further, the committee had an email address issue that failed to deliver this Request for Additional Information. This issue has been corrected and should not occur again in the future.

Thank you,

Clay Parker Davis
