RE: League of Conservation Voters Action Fund, C00252940

Dear Ms. Thangavelu:

This letter is in response to your RFAI dated September 28, 2007, regarding the April Monthly Report covering the period of 3/1/2007 to 3/31/2007. What appear to be excessive contributions are actually a clerical error. The two contributors noted sent their checks, dated 2/13/2007, to the League of Conservation Voters organization. On 2/27/2007, the contributors contacted the organization and asked that these funds be transferred to the PAC, which was done on 2/28/07. However, the funds did not clear the bank until 3/1/2007.

In preparing the April Monthly report, the deposits on 3/1/2007 were inadvertently entered into the reporting software again and thus, were reporting incorrectly in the report as originally filed. The amended report has corrected this error by deleting these duplicate transactions. Necessarily, all subsequent reports are being amended to reflect the decrease in receipts.

Please feel free to contact me if you have any additional questions. Thank you.

Sincerely,

Barbara Gonzalez-McIntosh
Treasurer
