Form/Schedule: **H3** This reimbursement covers shared administrative expenses from the previous six month time period (May and part of June 2005). The total transfers from the state fund to the federal fund for shared administrative expenses made during this reporting period exceeds the exceeds the reported non-federal share for tht same time period due to the 70 day time period allowed in making those reimbursements. The allocation for the first six months needed to be corrected in the amended report for that time period. The July transfer was made before this error was recognized. However, taking into account the changed allocation formula, the transfer from the state PAC account to the federal PAC account all occurred within the 70 day time period. The reimbursement originates from the NYS Laborers' PAC state fund which only supports state and local candidates.
