Dear Daniel,

Please find below the information that was requested concerning our 30-Day Post-General Report and our June Monthly Report from 2008. Feel free to contact us at 718-305-4245 or email operations@theleague.com if you have any questions regarding the information provided.

- On the 30-Day Post-General Report, we received a letter stating that our beginning cash balance did not match the ending cash balance for the 12-Day Pre-General Report. However, according to our records, we show \$24,875.19 for both periods. Perhaps I've overlooked something, so please feel free to contact me to discuss this further if need be.
- On the June Monthly Report, it was pointed out that funds had been applied to our PAC that were not meant to be placed there. The intention was that those funds would go toward our CA PAC account, but we were obviously mistaken in our filing. Because of this mistake, we have taken a debt for that amount and as work begins on our National PAC again, we will be replacing that money to the CA PAC. Thank you for making note of this.
- We also had several notices regarding missing Schedule H1 on reports, which we have remedied.

Hopefully all of these changes reflect on your end and we're in good standing.

Sincerely,

Sean Gardner
