Dear Analyst,

Please accept this letter as an amendment to our report covering period 1/1 - 3/31 for Troy Castagna for Congress ID# C00557660.

The memo entries do not seem to be inflating or deflating the numbers on our report and the committee has not received or disclosed any inkind donations. You may be referring to the memo entry disclosing the candidate's personal expenditure for the filing fees but we have listed that as a Schedule D debt NOT as an inkind donation.

Thank You and feel free to contact me if you have any further questions.

Sincerely,

Jen Slater
Treasurer
