Dear Ms. Benitz,

This letter is in response to the commissions letter dated December 18, 2002, concerning a preliminary review of our April Monthly Report (03/01/02-03/31/02) and June Monthly (05/01/02-05/31/02).

Schedule B of our FEC report discloses transfers on line 22 for Delphi Automotive Systems Corporation - NY PAC. These transfers are transfers to an affiliated state separate segregated fund. You have requested to our committee that we detail and report our description of affiliated PAC transfers as 'Replenishment of state PAC funds.'

If you have any questions or concerns about this, please contact Lynn Bahr at 246/371-7045.

Sincerely,

Martha DenBaas
Treasurer
