Reference: Year End Report (11/28/00-12/31/00)

Dear Mr. Bedell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 of your report discloses a contribution(s) to a candidate(s) for the General election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an impermissible contribution for an election which has already occurred, you should notify the recipient and request a refund and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo

entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Your report discloses activity that falls outside the reporting period. Please amend this report by including only the financial transactions that occurred between November 28, 2000 and December 31, 2000. Any activity occurring outside this reporting period should be included in the appropriate report(s). 2 U.S.C. §434(b)

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Other federal operating expenditures should be properly disclosed on a separate Schedule B (if applicable), supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-For your information, each category on the Detailed Summary Page for which your committee discloses activity must have a separate schedule. Please note this for future filings.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
