

Please note that we will need to file/amend the October 15th quarterly report.

We have attempted to file, but our filing was rejected see below.

Our systems group provides us with a list of all contributors, which we then download into our reporting system. However for the 3rd quarter 2008, they failed to identify the type of Pcontributor, which created numerous problems with the filing. (i.e., individual) and their first/last name.

As a result, we attempted to file our report to meet the deadline, but we will have to wait for tomorrow because the system people are on the east coast and we cannot contact them until then.
