Identification Number: C00211763

Reference: Amended March Monthly Report (2/1/09-2/28/09), received 4/20/09

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Schedule A supporting Line 15 of your report discloses a payment(s) from a federal candidate and political action committee(s), respectively, for goods and/or services provided by your committee. 11 CFR §100.52(d)(1) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.52(d)(2)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided to the federal candidate and political action committee(s) and explain the steps your committee took in determining the amount(s) charged. If your committee provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by your committee to the federal candidate committee(s) and political action

committees and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.52(d)(1))

2. Schedule A supporting Line 15 of your report discloses a payment(s) from an organization(s) which is not a political committee(s) registered with the Commission (see attached). It appears the receipt(s) was for goods and/or services provided by your committee. Pursuant to Advisory Opinion 1979-18, the sale/purchase price paid to a political committee could involve the receipt of a contribution from a purchaser if the purchase price exceeds the "usual and normal charge". The term "usual and normal charge" for goods is defined as the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution. Examples of goods and services include equipment, supplies, personnel, advertising services, membership lists, and mailing lists. 11 CFR §100.52(d)(1)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided and explain the steps your committee took in determining the amount charged. If your committee provided the goods and/or services at more than the usual and normal charge, the difference between the two is considered to be an in-kind contribution(s) received by your committee from an unregistered organization(s) and is prohibited subject to the limits set forth at 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b).

3. Your report discloses a transfer(s) for "Reimbursement for Allocated Refund" to the "DE Non-Federal Account," which appears to be a non-federal account of your committee. 11 CFR §§106.6 and 106.7 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to ensure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

4. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Health Insurance," "Salary," and "Staff Taxes." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1139.
