**Re: Sue Kelly for Congress - C00294900**  
**December 31, 1999 Year end report**

Dear Mr. Young:

In response to your correspondence (a copy of which is attached) regarding the above noted FEC report, I am providing the following:

1. Revised FEC form 3
2. Revised schedule A, pages 5 and 10 reflecting contributions from David Quinn, Samuel Pryor, and Douglas Durst as being for the general election. The committee has reviewed donor records since the dates of these contributions and notes that no further contributions have been received from these individuals. Hence, the \$1,000 contribution per election ceiling has not been exceeded by any of these contributors.
3. The missing schedule C that pertains to the outstanding loan payable to Congresswoman Kelly in the amount of \$47,000.
4. Revised schedule A pertaining to contributions from other political committees. The Committee has reviewed donor files and FEC information to most accurately report the correct name and address of each contributor committee.

As respects "best efforts" the Committee proceeds as follows in the event of missing or incomplete information from donors before submitting what information is available on the FEC report.

- a. Contact the contributor by mail; or if possible, by telephone;
- b. Research through our files or prior FEC filings for missing data;
- c. Research through telephone book listings; if names are unique enough to discern the contributor from that source;
