The discrepancy in cash on hand in this report is due to a change over from a previous treasurer to a new one. There were a number of missing entries made up mostly of certain operational expenses that accumulated over the years. It is impossible to go all the way in the bank statement to see the full discrepancy amount, but based on looking through the past filings through early 2018, there were some missing entries consisting of Nationbuilder fees, banking fees, and godaddy fees. The current cash on hand is an accurate update.
