Response Due Date:

Identification Number: C00167015

Reference: October Monthly Report (9/01/04-9/30/04)

Dear Mr. Kasper:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.2(d) prohibit a state, district or local party committee (combined) from receiving any contribution from a multicandidate political committee in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

-Schedule A supporting Line(s) 11(c) of your report discloses a receipt(s) from a candidate committee(s) (see attached) which requires further clarification. For example, if this activity represents a transfer of funds, please indicate "transfer" on Schedule A supporting Line 11(c) of your report. If this activity represents a reimbursement for services provided to this committee, please indicate this on Schedule A supporting Line 15 of your report. Please amend your report to clarify the type of activity this receipt(s) represents.

-Schedule B supporting Line 30(b) of your report discloses a payment(s) for "signs" which is categorized as Federal Election Activity and therefore, may require the disclosure of the candidate(s) this activity should be attributed to. Expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, please be advised that public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$3,119.52 for "postage". Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather

than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

-Schedule H2 of your report indicates that your committee participated in "2004 Fall Event-09-14-04 (09/14/2004)" activities or events during the reporting period. However, there are no corresponding disbursements reflected on your Schedule H4. Note that you need not include activities on Schedule H2 if there are no corresponding payments made for the activity during the reporting period. If any disbursements were incorrectly reported, you should file an amended Schedule H4 with the correct activity or event identifier, or provide clarifying information regarding the activities on Schedule H2.

-Schedule H4 of your report discloses payments to "ATA Airlines, Inc." and "Yellow Cab Mgt., Inc.", which are categorized as Admin expenses; however, the purposes of disbursement disclosed are "Travel for Fall Dinner" and "Fall Event - Travel". Please be advised that payments made for your committee's fundraising activities must be allocated according to the funds received method and the ratio reflected on Schedule H2. Please amend your report to clarify the appropriate category for this activity or provide clarifying information regarding this apparent discrepancy.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

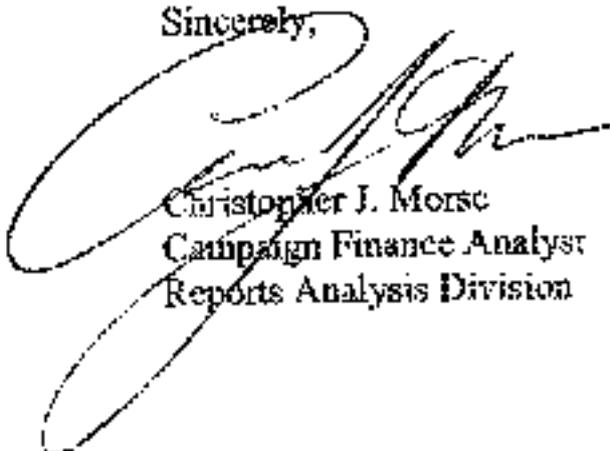

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
