Dear Mr. Ryan:

Please accept my apologizes for submitting a hand written FEC Report rather than a computer generated one. We discovered many technical problems associated with the software program we purchased from Ideal Soft Systems.

Rather than ask for an extension, I felt it would be in our best interest to submit the Mid Year Report in written form by its due date. With assistance from Ideal Soft's programmer, we will continue trying to work the bugs out of the system. If that fails, we will research other software programs until we find a software system that will work for us and will be acceptable to FEC.

If you need additional information on the software problem we are experiencing, please contact me at (717) 238-9381.

Sincerely,

Michael F. Coyne

Dear Mr. Ryan:

Our best efforts in obtaining disclosure information by our contributors is as follows: If a contribution is unsolicited, we send a thank you note and a form requesting their employer's name and their occupation. The form is similar to the one I included for your review.

If the donation is solicited by mail or by telephone, we send a thank you note and a request form to the contributor immediately after contact asking for disclosure information. If we do not hear from the contributor within a month, we try to contact them by telephone or send a reminder note asking for the information a second time.

I hope my explaination will help you to understand how we try to obtain disclosure information in Pennsylvania. If you need additional assistance, please contact me at (717) 238-9381.

Sincerely,

Michael F. Coyne
