Dear Sir/Madam:

Enclosed please find the 1999 mid-year report for the BASF Corporation Employees Political Action Committee.

Please note that, with two exceptions, Schedule A records receipts from members on a payroll deduction basis. As a result of salary increases and other factors, the amount deducted in each pay period differed in the earlier months of the reporting period than in the later months. Schedule A reflects the individual amounts deducted in the most recent payroll cycle.

Very truly yours,

Mark A. Kerschner
Treasurer
