This chain of amendments covering the 2017, 2018, and 2019 years, address both the concerns and requests of the audit, as well as responding and satisfying the RFAI due 1/13/2021. Regarding the Audit, these amendments address Attachment A, Attachment B, and Attachment C Part 2.

BEST EFFORTS PROCEDURES - ASSOCIATION FOR EMERGENCY RESPONDERS AND FIREFIGHTERS / C006224721. Initial solicitation for a contribution is made via phone call and solicitor additionally states during the solicitation call that as a part of compliance, the PAC is required to inform the contributor that "Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year". Following acceptance to provide a contribution, a follow-up invoice letter is mailed to the contributor which includes a clear and conspicuous request for contributor's employer and occupation information to be written in and returned when they mail back their contribution.2. Secondly, if employer/occupation information was still not provided within the above steps, a follow up phone call would be placed to the contributor within 30 days of receipt of the contribution via a separate pre-addressed post card sent in the US Mail to the contributor, again clearly requesting the name of employer and occupation, without solicitation of a contribution.3. Lastly, the third/final step if employer/occupation information was still not provided, a follow up phone call is placed to the contributor during which the missing information is clearly requested (without solicitation of a contribution) as an FEC compliance requirement.4. The missing employer/occupation information, if/when obtained, will be uploaded and we would subsequently update our reports to include the missing information. In instances where all efforts outlined above fail to obtain this information, the words "unavailable" or "refused" will be uploaded for these fields. In either scenario, the PAC will either file a memo Schedule A with its next regularly scheduled report, listing all contributions for which new contributor information has been received, or file an amendment to the original report.
