Reference: Amended Year End Report (12/1/93-12/31/93) dated
2/24/94

Dear Mr. Baker:

On May 11, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

In your response dated May 18, 1994 you note that in order to resolve a discrepancy in your May report you sought to "simplify the process" by amending your 1993 Year End Report.

Please note that any changes or corrections to errors that affect a particular report need to be corrected with an amended report. Failure to correct the appropriate report not only creates difficulties in accounting for cash flow. Please amend your report(s) accordingly.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Edward D. Ryan on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

John D. Gibson
