Reference: 12 Day Pre-General Report (10/1/02-10/16/02)

Dear Mr. Vest:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

The Commission notes the redesignation and/or reattribution of a contribution. Please amend your report to disclose the proper format for redesignations and/or reattributions. The first entry must disclose, as a memo entry, the information for the contribution as it was originally reported; the second entry must disclose, as a memo entry, the information as it has been redesignated or reattributed, including the date the redesignation or reattribution documentation was made/received by the committee (11 CFR §104.8(d)(2), (3), and (4)). The Committee should also provide the Commission with a copy of the signed documentation. See the attached sample of properly reported redesignations.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations, and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

A handwritten signature in black ink that appears to read "Jim Krebs".

## Redesignations of Contributions

Use memo entries to show any redesignations of contributions.

If a contribution to a candidate is redesignated after the close of books, show the redesignation on the next report and indicate the report on which the original contribution was itemized.

In this illustration, the committee originally made a \$5,000 contribution to a candidate's campaign, intending it to count toward the primary election. The committee itemized the contribution in its year-end report. The following month, the campaign requested that the SF redesignate \$4,500 to help retire debts from the previous general election campaign. The committee itemized the redesignation in its April quarterly report.
