Philip Morris Companies Inc. Political Action Committee - ID#C00089136

On 5/17/01 the Philip Morris Companies Inc. Political Action Committee contributed \$4000.00 to the Hutchinson For Senate Primary 2002 campaign. On 10/18/2001, an additional \$1000.00 contribution was made to the Hutchinson For Senate Primary 2002 campaign. On December 11, 2001, Philip Morris acquired Nabisco Inc. and our PACs became affiliated. Recently we discovered the Nabisco Political Action Committee also contributed \$1000.00 to the Hutchinson For Senate Primary 2002 campaign on 7/31/1998 putting us \$1000.00 over the legal limit for affiliated PACs. Therefore we requested a refund of \$1000.00 from the Hutchinson For Senate Committee. We have since received the refund, which will be reflected on the July 2002 monthly report. A hard copy of our letter to the committee requesting the refund and a copy of the refund check from the Hutchinson For Senate Committee will be submitted to the FEC under separate cover.

Please note the amended year end report was assigned filing # FEC-38339.
