Reference: Year End Report

To Whom It May Concern:

This letter is in response to the letter we received dated February 7, 2007. Following is the requested itemization:

-The totals listed on Lines 24 and 29, Column B have been corrected and an amended report has been filed. Also, during our research, we discovered that the totals were also incorrect on the previous report, the 30-Day Post-Election. This report has also been amended. See filing ID #'s FEC-280146 and FEC-280149.

-The disbursement listed on Schedule B that was issued after the 2006 General election should have been designated to the 2012 Primary election. However, since we are past the 60 day re-designation time frame, a refund has been requested.

-The disbursement listed on Schedule B that was over the contribution limit is the same check that has already been requested to be reimbursed (see above.)

These were oversights on our part, and please accept our apologies for any inconvenience it may have caused. If you need any further information, please feel free to call our office at (215) 563-8991. Thank you.
