**Response Due Date:
February 11, 2008**

Identification Number: C00005561

Reference: April Monthly Report (3/1/07-3/31/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 6 items:

1. The totals listed on Lines 7, 21(a)(i), 21(a)(ii), 21(c), 31 and 32, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
2. The beginning cash balance of this report should equal the ending balance of your March Monthly Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
3. Your February Monthly, March Monthly, and April Monthly Reports combined do not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a

Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

4. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Dental Insurance," "Health Insurance," "Insurance," "Payroll Fees," "Payroll Taxes," and "Salary". Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

5. Schedule A supporting Line 15 of the Detailed Summary Page discloses a refund(s) or rebate(s) of what appears to be a previously disclosed allocable expense(s) from Black Box Network Services, U.S. Postmaster, and Bell South Communications. Please be advised that when a committee receives a refund or rebate of an allocable expense, it must be allocated between the federal and non-federal accounts according to the same allocation ratio used to allocate the original disbursement. Furthermore, the federal account must transfer the non-federal portion to the non-federal account and disclose this transfer-out on Schedule H4. Your report does not appear to disclose a transfer-out of the non-federal portion of this refund(s) or rebate(s). Please provide clarification regarding this apparent omission.

6. Please clarify all expenditures made for "Catering," "Equipment Lease," "Fundraising Consultant," "Reception Expense Reimbursement," and "Site Rental" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25

and include the amount, name, address and office sought by each candidate.
11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1153.
