Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The beginning cash balance of this report does not equal the ending balance of your 12 Day Pre-Primary Report. Please correct this discrepancy and amend all subsequent reports that may be affected by the correction. (2 U.S.C. § 434(b)(1) and 11 CFR § 104.3(a)(1))
2. Schedule A of your report discloses contributions through a conduit but fails to disclose the original earmarked contributions. Please be advised that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution should be itemized when the individual's total contributions to your committee aggregate over \$200 per calendar year. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution was received by the conduit. Any un-itemized contributions from individuals received through the conduit should be included in your totals on Line 11(a)(ii) of the Detailed Summary Page. Contributions from political party committees, PACs, authorized committees, or any political committee must be itemized, regardless of the amount contributed.

In addition, the total contribution(s) received through the conduit should be itemized on Schedule A as a memo entry. The conduit's full name and address (and occupation and employer if the conduit is an individual) must also be

provided, along with the date the contribution(s) was received by your committee and the total amount of earmarked contributions received from the conduit. Please amend your report to include the missing information. (11 CFR §§ 110.6(c)(2) and 104.3(a)(3))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
