Dear Mr. Andre:

Re: Identification #C00297630

In response to your letter of April 9, 1997, the following information is provided.

By definition under FEC Rules, affiliation between SSF's results when committees are established, financed, maintained or controlled by the same organization.

Please be advised that Teamsters Local Union 1150 is not affiliated with the SSF's of the International Union. The SSF of our union is financed, maintained and controlled separately. Accordingly, it is our opinion that we are not in violation of any excess campaign contributions.

Thank you for your assistance in this matter.

Very truly yours,

John SantaMatia
