Schedule A Line 11 (a)(i) Most Local 478 members contribute \$.05 per hour to the PAC. No person has an aggregate of \$200 or more in a calendar year.

Operating Engineers Local 478 Political Action Committee (FEC # 00434076) gave contribution in the amount of \$3,250 on April 21, 2009. This contribution was for the Jefferson Jackson Bailey dinner and was made to the Democratic State Central Committee (DSCC), otherwise known as Connecticut Democrats (FEC # C00167320). The check was made out to DSCC-Federal and deposited into our federal account to help the state party continue to operate throughout the year.

We are a completely different and separate entity from the Democratic Senatorial Campaign Committee and just happen to share the same acronym with them (DSCC).
