Re: Form 99, Miscellaneous Report to FEC- Request for Termination of Political Action Committee and Release from Filing Obligations

To the Commission:

This Committee is ceasing its operations and has no intention to receive contributions, make expenditures or make any disbursements that would otherwise qualify it as a political committee. Additionally, this Committee has no outstanding debts or obligations. Therefore, this Committee is requesting to the Commission that it be terminated, and also that it be released from its filing obligations, past and future.

This Committee was created on March 25, 2016. On April 27, 2016, this Committee received notice from the Commission to change its name to exclude the name of a candidate (Reference to: Image# 201604270300042442), as this Committee is not authorized by the candidate included in its name. This Committee requests to the Commission that the Committee be terminated, in part as response to this notice.

On the date this letter was written, the bank account used by this Committee was closed. On the date this bank account was opened, I deposited \$100 from my personal funds into the account, which was the minimum balance required to maintain a checking account at our banking institution. Since its creation, this Committee has received one contribution, totaling \$2.60 and has made no transfers. When this bank account was terminated, it had a total of \$102.60. I refunded \$100 to myself, Treasurer and Custodian of Records of this committee, as reimbursement for the initial bank account startup funds. I also refunded \$2.60 to myself as reimbursement for an operating expenditure.

Therefore, it is my request that the Commission terminate this Committee, and release it from all filing obligations. Please feel free to contact me at (802) 373-3099 at any time with further questions regarding our intention to terminate.

Sincerely,

Nathan Lerner
Treasurer and Custodian of Records of Stop Trump PAC
