The following addresses the request for additional information for two items included in RheumPACs July 2018 second quarter filing.

1.Receipt of funds from the American College of Rheumatology, RheumPACs connected organization, is strictly for the reimbursement of operating costs to the PAC in compliance with the U.S.C. However, some reimbursements to the PAC totaling \$1,023.18 were made by the American College of Rheumatology to RheumPAC more than 30 days after the reimbursable cost was paid by the PAC. This amount was transferred from RheumPAC to a separate fund not used in regards

to federal elections on September 20, 2018. This amount includes \$314.20 paid July 2, 2018, \$101.21 paid June 4, 2018, and \$607.77 paid January 31, 2018. We believe these address the items listed in the RFAI received June 3, 2018 and the RFAI received August 9, 2018. All other reimbursements were found to fall within the 30 day requirement.

2.A contribution was improperly disbursed by RheumPAC for the 2018 Primary election after the date of that election. These funds have been redesignated for the 2018 General election. An amendment to the RheumPAC 2018 second quarter report has been filed to report this redesignation.

If you have any questions regarding this matter or concerns about the adequacy of RheumPACs response to these concerns please contact RheumPAC at (404) 633-3777.
