Reference: July Quarterly Report
Attention: Ms. Andrea Needles, Senior Reports Analyst
Report Analysis Division
Federal Election Commission

We received your letter dated August 14, 2002 informing us that we are required to request a refund from the "Snyder for Congress Campaign". Owing to a clerical error, we designated the \$3,000 contribution on May 30, 2002 for the primary rather than for the general election. The Arkansas primary was held on May 21, 2002.

As instructed on August 22, 2002, we mailed the Snyder Campaign a request for a refund as more than sixty days have elapsed since the treasurer's receipt. On August 22, we also mailed a copy of this request to Ms. Needles in the Reports Analysis Division of the FEC. Once we receive the refund, we will mail a copy of the check to the FEC. In addition, we will disclose the refund on the report covering the filing period in which it is received. Please contact my office if there are any further corrective actions needed.
